

Project

## Behind the Differences: Parents In-Formation

**NETWORK BUILDING** Path promoted by the project “Behind the Differences: Parents In-Formation” and addressed to the families of people with disabilities. The goal is to expand their relationship network to promote the development of a greater sense of belonging to the community. The project is in collaboration with Public and Private Authorities, ULSS, City Halls, School Services, the Third Sector and Communities of foreign people that operate to guarantee a life quality specific for everyone.

**GOALS** In response to the needs of people with disabilities and of their families “Network Building” is meant to give a contribution to:

**Direct** families towards knowing the resources of the region.

**Promote** the knowledge of the services that support the disability.

**Facilitate** the active participation to the community.

**PATH** There will be 3 meetings of 2 hours each from September to November 2023. During the meetings, it will be discussed the topic of disability in relation to the services available in the regional ULSS 5 and 6 and to the regulation that protects people with disabilities and the support networks of Padova and Rovigo.
